TOURNAMENT ATTENDANCE

- I. Participation in M.S.H.S.L. athletic tournaments by Martin County West teams is recognized as an activity which generates widespread interest within the schools, staffs, and communities. The MCW Board's goal is to provide an opportunity for students, staff, and community members to attend such tournaments. The following guidelines will be implemented when necessary:
 - A. The Board delegates to the superintendent the authority to dismiss school early if this is necessary to provide students, parents, and staffs the opportunity to attend a M.S.H.S.L. district, regional, or state team tournament.
 - B. The board delegates to the superintendent the authority to cancel school, if necessary, to provide students, parents, and staff the opportunity to attend state tournament competition. Any Master Agreement language relative to the school calendar will be satisfied prior to cancellation.
 - C. If cancellation results in less than the minimum days in attendance the superintendent will meet and confer with representatives from the teacher education association and call a special board meeting for action prior to a calendar change.
 - D. Early dismissals or cancellations as described in Parts IA and IB will be with pay for all employees who were scheduled to work on the cancelled days.
 - E. The board may, at its discretion, make up some or all of the days lost after meeting and conferring with the education association. If one or more days are made up, it will be without additional compensation for all employees described in Part IC.
 - F. Hourly employees who were not scheduled to work on the cancelled tournament days who work on any subsequent make-up days will be paid for the additional time according to the terms of their contract or work agreement.
